2 TARGET MARKET

Objectives, Financial Situation and Needs of the Target Market

Class of Customer

This product is targeted at the class of customer which meets the below needs, objectives and financial situation.

Needs and Objectives

This product is designed for individuals or entities who:

- are looking for an investment manager to invest their funds via a managed investment scheme, as opposed to investing directly in underlying assets;
- are looking to invest up to 25% of their investable assets;
- are looking for quarterly distributions;
- are not looking for capital growth;
- have a tolerance for medium risk

Financial Situation

This product is designed for individuals or entities who seek to invest their capital for a minimum of 12 month, 24 month or 36 month term and may seek, but do not require, the opportunity to realise their investment on a quarterly basis after such minimum term.

Appropriateness of the target market

This product is likely to be consistent with the likely objectives, financial situation and needs of the class of customers in the target market. This is based on an analysis of the key terms, features and attributes of the product, including the Fund's liquidity profile and investment objectives, the performance of the Fund since it commenced operating on 30 April 2021 and a finding that these are consistent with the identified class of customers.

3 DISTRIBUTION CHANNELS AND CONDITIONS

Direct distribution: The product will be distributed directly to investors via Skyring's website and through targeted advertising (including via search engines, social media and radio). Investors are asked to complete an application form which includes questions relating to this TMD.

Platform: Additional steps are not required for advised clients beyond consideration of this TMD by the adviser. Unadvised clients cannot currently access the product on platforms.

Adviser: The product will also be distributed indirectly to investors via financial advisers. The application form for the product requires, for advised customers, the financial adviser to confirm whether or not the customer is in the target market (and, if not, why) and whether the client was provided with personal advice.

It has been determined that the distribution conditions and restrictions will make it likely that customers who purchase the product are in the class of customers for which it has been designed. We consider that the distribution conditions are appropriate and will assist distribution in being directed towards the target market for whom the product has been designed.

4 REVIEW TRIGGERS

Where Skyring determines that one of the below review triggers has occurred, we must undertake a review of this TMD:

1. Receipt of a significant or an unexpectedly high number of complaints from customers who have acquired this product, regarding the product design, features, availability and any distribution condition that would reasonably suggest that this TMD is no longer appropriate.
2. Occurrence of a significant dealing(s) outside of the TMD requiring notification to ASIC.
3. Material change to key product features, investment objectives, terms and conditions and/or fees that would reasonably suggest that this TMD is no longer appropriate.
4. Any significant or continual poor performance of the product or risk that the investment option is not likely to meet its investment objective over the minimum suggested investment timeframe, reasonably suggesting that this TMD is no longer appropriate.
5. The liquidity of the product has changed and is no longer able to offer regular withdrawals, reasonably suggesting that this TMD is no longer appropriate.
6. The fees of the product are no longer appropriate, reasonably suggesting that this TMD is no longer appropriate.
7. A significant increase in product outflows or withdrawal requests, reasonably suggesting that this TMD is no longer appropriate.
8. Receipt of a Product Intervention Power order from ASIC requiring Skyring to cease retail distribution of this product.
9. A material change to legislation, including tax legislation, or benefits such as the tax benefits of the product which reasonably suggest that the TMD is no longer appropriate.

Where a review trigger has occurred, or another event or circumstance has occurred that would reasonably suggest that the determination is no longer appropriate, this TMD will be reviewed within 10 business days.
